ATTENTION: GRAIN CUSTOMERS

To provide the highest level of service to our ag producers during planting season, grain elevator locations in Hector, Cosmos, Gibbon and Sleepy Eye-East will be temporarily closed. This will allow our grain team to assist with agronomy operations.

CRC will continue to ship and receive grain from the Buffalo Lake, Fairfax, Cobden, and Sleepy Eye West locations during regular business hours, Monday through Friday.

Due to the unpredictability of spring weather conditions, it is unknown when this will begin and conclude. An update will be posted on CRC's website when full operations have resumed at all grain elevator locations.

Thank you for your patience and understanding—we appreciate your business. If you have any questions, please contact Carly Johnson, grain operations manager, at (507) 794-3031 extension 2138 or cell phone (507) 276-7764.

Have a safe and productive spring season.
